4. G.O.Ms.No.2354, dt.13-8.53.

In this office reference cited 2nd above, I had recommended to the Board to move the Govt.for sanctioning a lower divisic Accountant for loans work as a permanent measure. In G.O.Ms.No 2354, dt.13-8-53, the Govt.sanctioned the retention of the addl lower division accountant, whose previous sanction expired on 30-6-53, for a further period of one year from 1-7-53. This sanction expires on 30-6-54. I may state that loans work in c now on the increase. After the starting of the works under the Community Project Schemes and the National Extension Services, the Project Executive Officers and Block Development Officers also grant loans, the accounting of which also develops on the Agricultural Departments. The total No.of loans granted after the submission of my report cited 1st is 545 bringing the total number of outstanding cases to 2015. This excludes the loans sanctioned by the Project Executive Officers and the Block Development Officers during the months of March and April 1954 for which figures are not yet available

The loan items sanctioned by these temporary addl. departments are more than the other departments. Having rega

to the heavy and voluminous nature of the work involved, it become absolutely necessary to have one l.d.accountant on a permanent basis for atending to loan work alone in the District Treasury. It will be seen from my report cited above that there was not accountant for the Dt.Treasury in this District on a permanent cadre for the loans work. I request that the Govt.may terefore be moved to sanction the post. Pending final orders of Govt.for the permanent sanction, sanction for the re tention of the present post for a further period of one year from 1-7-54, may kindly be accorded. Having regard to the lage pendency in the No.of outstanding cases, it may be necessary to have an addl. l.d.accountant also as contemplated in item (3)(1) under Ch.8, Part III of the Takkavi Manual. This aspect I shall examine in detail and submit my final report after the close of the fasli.
